The Book of Ezra

Occasion and Date

The events in Ezra cover slightly more than 80 years and fall into 2 distinct segments. The first segment (chs. 1-6) covers some 23 years dealing with the first postexilic return under Zerubbabel and the reconstruction of the temple. Nearly 60 years later (458 B.C.) another group of exiles returns to Jerusalem under the leadership of Ezra (chs. 7-10). They are sent by the then reigning Persian King, Artaxerxes, with additional monies and valuables to enhance the temple worship. Ezra is also commissioned to appoint leaders in Jerusalem to oversee the people.

Personal Application

The messages of Ezra are a constant reminder of how easily God's people can lose heart and their distinctives that characterise "a royal priesthood, a holy nation, His own special people" (1 Pet 2:9). When this happens God's plans are delayed. Erring saints cannot totally thwart God's sovereign plans, but can delay or frustrate them. God is greater than we, and He does have ways of transcending our shortcomings. However, He wants us to walk in obedience so that His plans can be fulfilled as originally revealed.

Christ Revealed

Ezra himself foreshadows Christ by the life he lives and the roles he fulfils. Three particulars stand out:

- 1. As one who "had prepared his heart to seek the Law of the Lord, and do it" (7:10). Ezra reminds us of Christ's description of Himself as the One who ardently obeys the Father (John 5:19.
- 2. As "the priest" (7:11), Ezra foreshadows Christ's role as the "great High Priest" (Hebrews 4:14).
- 3. As the great spiritual reformer who calls Israel to repentance (ch. 10), Ezra typifies Christ's messianic role as the reshaper of Israel's spiritual perspectives, including a call away from dead traditionalism and moral impurity (Matthew 11:20-24; 23).
